Grammar-Land

By M. L. Nesbitt

In this charming 1877 book of grammar instruction for children, we are introduced to the nine parts of speech and learn about the rules that govern them in Grammar-Land.

"Judge Grammar is far mightier than any Fairy Queen, for he rules over real kings and queens down here in Matter-of-fact-land. Our kings and queens have all to obey Judge Grammar's laws, or else they would talk what is called bad grammar; and then, even their own subjects would laugh at them, and would say: "Poor things!"

They are funny fellows, these nine Parts-of-Speech. You will find out by-and-by which you like best amongst them all. There is rich Mr. Noun, and his useful friend Pronoun; little ragged Article, and talkative Adjective; busy Dr. Verb, and Adverb; perky Preposition, convenient Conjunction, and that tiresome Interjection, the oddest of them all."

Total running time: 02:45:39; read by Kara Shallenberg. Dedicated Proof-Listener: Elli. Meta-Coordinator/Cataloging: Kara Shallenberg.
